MEMORANDUM FOR: Deputy Director for Support

SUBJECT : 100 Universities Program

REFERENCE : Memo for D/Pers fr A-DDS dtd 27 Dec 67,  
same subject

Personnel 15

1. This memorandum contains a recommendation for your approval; such recommendation is contained in paragraph 4.
2. Referent memorandum advised me that the Executive Director-Comptroller had approved in December 1967 the recommendation that the 100 Universities Program be indefinitely postponed. Further, we were advised to review the situation again in the fall of 1968 and decide whether it was feasible to proceed with the Program in the spring of 1969.
3. I believe that it is rather obvious to all concerned that the climate on the American campuses at this time makes it most unwise for us to proceed with this Program next spring. Conditions are not favorable, the chances of adverse reactions are considerable, and unwanted publicity would probably be our reward.
4. I recommend that the 100 Universities Program not be carried out in the spring of 1969 and that this Program be indefinitely postponed.
